

Kickboxing Champ Wows The King's

When quiet Year 7 student Corey Clarke joined The King's in September 2015, little did we know what he was capable of.

In 2015 Corey was crowned Triple World Gold Medalist in kickboxing, when he won the overall competition with England, scored the most points as an individual and scored highest in his individual weight class.

Now, after a gruelling training camp, Corey has once again been selected to represent England at this years Kickboxing World Championships in Portugal, during October 2016.

Good Luck Corey!
