Dear Parent/Carer

Re: Exciting News!

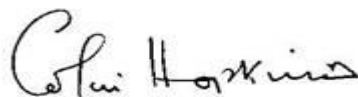

We are delighted to inform you that our new school building will open ahead of schedule, on 7 November 2016. We would also like to let you know that there will be an Open Day on Saturday 18 June, when you can come along to take a tour of the building and ask any questions that you may have – full details will be available shortly.

Moving into the new building will be a major logistical exercise which unfortunately will require the school to close for a short period. The closure period will be Friday 21 October to Monday 7 November, although this includes the half-term week when the school would normally be closed. Full details of this closure will be communicated at the start of the autumn term but we felt it best to provide as much advance notice as possible.

Yours sincerely
