

4th October 2016

Dear parent / carer,

Year 7 Residential to Shugborough Outdoor Education Centre

As year 7 begin their school career here at The King's we are excited to be able to offer a four-night residential visit to Shugborough Outdoor Education Centre. Shugborough Outdoor Education Centre is a well-known outdoor education centre, with fantastic facilities; during the visit students will take part in caving, archery, high ropes, rock climbing and many more activities. The residential will be take place 24th to the 28th April 2017.

We hope that all year 7 will take part in this opportunity, and as a school we have therefore subsidised a considerable amount of the visit cost. The maximum cost for a place on the visit will be £174 per student, which will be split into monthly payments of £29 between October and March.

To take part, students will not require any specialist clothing or additional equipment. The cost of the visit includes:

- Travel to and from the school to Shugborough
- Four nights of camping
- All meals and refreshments for the duration of the visit
- Additional clothing and safety equipment for all of the activities
- All activities listed above and more

This educational visit is now open to the whole year group, and places can be secured by placing a deposit of £29 on ParentPay and returning the slip below. Please remember that all payments for educational visits at the school are made via ParentPay and that the school no longer accepts cash or cheques; if you have not yet activated your account please contact the school finance office. Please be aware that unless this visit receives the minimum number of students wishing to attend then the visit cannot take place.

If you are unsure about the visit and would like further information, or to discuss alternative payment plans please feel free to contact me at the school.

Yours faithfully

Mr M Worthington
Lead Teacher of Physical Education
