

## The King's Duo Sign for Stoke City FC

Mitchell Allen (left) and Connor Russo (right) have both been offered scholarships with Stoke City FC, when they leave Year 11 later this year. Both boys currently join up with the academy three days per week before playing in competitive games every weekend, and now look set to join the ranks of the premier league club full time this summer.

The two 16 year olds have played for Stoke City for a number of years now and just recently were picked for the Under 18 squad.

Well done boys, and good luck!
