Annual reward trip

For a pupil to be eligible for the annual school reward trip, held in July, they must meet or exceed explicit criteria from assessment data accumulated from the first 5 assessment windows (Autumn 1 – Summer 1):

1. Have an average progress score of zero or better (i.e. on average they are making at least expected progress in all of their subjects)
2. Have an average ATL score of 2 or better (i.e. on average they are demonstrating at least a good attitude to learning)
3. Have an average commitment to homework of 2 or better (i.e. on average they are demonstrating at least a good commitment to homework)
4. To have earned at least 400 achievement points over the course of the school year
5. Have an average attendance level of 95% or better
6. Accrue no more than 30 minutes of 'lates' to school or lessons over the course of the school year
7. Have not been internally excluded or incurred a fixed term exclusion

Pupils may be selected for the annual reward trip who do not meet all of the above criteria at the head teacher's discretion.
