POLICY

Provider Access

Date of approval by governing body:	Autumn 2019
Review date:	Autumn 2020
Policy Owner:	Lisa Boon

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

1. Pupil entitlement

All pupils in years 7-14 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

2. Management of provider access requests

Procedure

A provider wishing to request access should contact:

Hannah Kaminskas, Industry Links and Careers Coordinator

Telephone: 01782 783281

Email: hkaminskas@thekings.staffs.sch.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers.

3. Premises and Facilities

The school will make the sports hall, lecture theatre, classrooms or private meeting rooms available for discussions between the provider and student(s), as appropriate to the activity.

The school will also make available projectors and other specialist equipment to support provider presentations.

Premises and facilities arrangements will be discussed and agreed in advance of the visit with the Industry Links and Careers Coordinator or a member of the pastoral team.
